INTRODUCCION

Más de 360 millones de personas hablan el idioma Inglés como su lengua materna. Aún cuando el idioma Inglés ocupa un segundo lugar comparado con el Chino, que es hablado por más de 600 millones de personas, el Inglés no se concentra en un área específica, sino que por el contrario puede escucharse en cualquier continente y en cualquier parte del globo terrestre. La extensión geográfica del idioma supera todas las fronteras y debido a los avances continuos de la ciencia en areas tan importantes como la tecnología industrial, científica, económica y educativa, se considera el idioma internacional por excelencia. Para no irnos muy lejos observemos el complejo lenguaje de las computadoras, el de la alta tecnclogía espacial, el de los aeropuertos, etc. ¿Qué observamos? Que el idioma Inglés es el factor común y distintivo de todas y cada una de esas importantes actividades.

Actualmente, gracias al desarrollo exorbitante de la ciencia en comunicaciones, con la masiva proliferación de nuevos satélites, antenas parabólicas, y otros, se ha creado una necesidad colectiva de aprender y dominar perfectamente el idioma Inglés, con la finalidad de lograr ampliar nuestros horizontes culturales, para no quedarnos rezagados en el aprovechamiento de toda una serie de conocimientos considerados como indispensables en la vida moderna.

Por todas esas razones de evidente importancia es por lo que en BERNAL'S ENGLISH COURSE hemos consagrado todos nuestros esfuerzos en lograr estructurar, desarrollar y redimensionar un método de enseñanza bien definido para brindar todas las posibilidades de éxito, al lograr dominar de una manera efectiva y rápida el idioma, evitando los esquemas rígidos de orientación didáctica que habían sido utilizados en el sistema tradicional de enseñanza de idiomas.

Vale la pena destacar que hemos enfocado nuestra atención en ese factor tan importante para lograr un verdadero interés en aprender el idioma como lo es la motivación.

En la elaboración de BERNAL'S ENGLISH COURSE tomamos muy en cuenta la forma de pensar de "la gente de hoy", digámoslo así y reuniendo un conjunto de ideas e iniciativas, nos pareció perfecto llevar el curso a la actual realidad, utilizando diálogos e ilustraciones, sin olvidar la importancia que tiene la gramática. Es por ello que el libro texto viene acompañado de un pequeño libro con las instrucciones para la utilización adecuada del vocabulario y la gramática, además de un diccionario Inglés-Español y de un juego de cassettes o discos con la grabación completa del curso.

Le auguramos el mayor de los éxitos en el logro de la comprensión y dominio del Inglés, basados en el interés y el esfuerzo que Ud. dedique a la ejercitación y la práctica del mismo.

Luis Bernal Gallardo

INSTRUCCIONES

Presentamos las instrucciones a seguir para el mejor aprovechamiento de BERNAL'S ENGLISH COURSE:

1° *Concéntrese en la ejercitación oral y escrita que va a comenzar a realizar una vez que haya puesto a funcionar su radio cassette o tocadiscos con la grabación del contenido del curso y tenga a la mano todo el material: texto,diccionario y libro de instrucciones.*

2° *Abra su texto en la lección correspondiente y comience a leer mentalmente lo que oiga en la grabación.*

3° *Trate de asociar los dibujos con el texto del libro e igualmente de imaginar la situación presentada en cada lección, ya sea de oraciones tipo pregunta o de diálogos y conversaciones.*

4° *Por cada ejercicio, una vez que usted sepa la repuesta que corresponde en cada caso, escríbala en el libro texto.*

5° *Los espacios en blanco en la ejercitación escrita deberá completarlos de acuerdo con la clase de ejercicio que se trate y sus correspondientes instrucciones.*

6° *Repita siempre que termine una lección varias veces la misma a fin de aclarar dudas y sentir más seguridad de que va avanzando.*

7° *Pronuncie simultáneamente con el maestro de la grabación cada palabra emitida, para ello debe preparar su voz adecuadamente en cuanto a tiempo y tono de la misma.*

8° *Cada vez que tenga alguna duda detenga la grabación y repita la lección tantas veces como sea necesario.*

9° *Si desea saber si va aprendiendo bien cada lección, autoexamínese al finalizar la misma y compare sus respuestas con el libro de instrucciones.Puede utilizar el diccionario.*

10° *Practique con otras personas a medida que vaya aprendiendo. Establezca diálogos con escenas similares a las presentadas en el curso y repítalos hasta que esté seguro de haberlo hecho bien.*

11° *No se detenga mucho tiempo en averiguar el significado de alguna palabra, prosiga con su ejercicio.*

12° *Lea revistas de actualidad en el idioma Inglés, vea películas y practique las frases con las personas que le rodean, utilice todas las ventajas que tiene a su alcance para incrementar sus conocimientos.*

PRONUNCIATION OF REGULAR VERBS IN PAST TENSE

The past tense form of regular verbs is formed by adding **-ED** to the simple form of each verb.

-ED is pronounced in three different forms:

/ID/ /T/ /D/

FIRST RULE PRONUNCIATION /ID/

When the last sound of the simple form of the verb is a /t/ or a /d/, -ed is pronounced /id/, as separate syllable.

-EXAMPLE:

Repeat----------repeat-ed
Need----------need-ed
Invite----------invit-ed
Divide----------divid-ed
Sound----------sound-ed
Rent----------rent-ed
Offend----------offend-ed
Correct----------correct-ed

SECOND RULE PRONUNCIATION /T/

When the last sound of the simple form of the verb is a P, K, F, S, SS, X, SH or CH, the -ed is pronounced /t/.
A separate syllable is not heard.

-EXAMPLE:

Help----------help-ed
Watch----------watch-ed
Finish----------finish-ed
Work----------work-ed

Fix----------fix-ed
Miss----------miss-ed
Laugh--------laugh-ed
Like----------like-ed
